

PSNZ Canon Online Photographer for 2021

Congratulations to John Organ LPNZ FAPS who is the clear winner of the 2021 PSNZ Canon Online Photographer of the year for 2021, having been selected in the top ten three times and winning one of those rounds. Although he now lives in Australia he is still very much a Kiwi and values his New Zealand photographic honours

John had three images in the top ten:

Gallery Catwalk, First in Round 3

Underwater Eyes, Third in Round 4

Contemplation, Fifth in Round 6

The top placings in the overall competition were:

	Points	Place
John Organ	30	1
Lia Priemus	24	2
Glenda Rees	21	3=
Jeanette Nee	21	3=
Margaret Jones	20	5

The winners of each round were:

	Round	Title
Lindsay Stockbridge	Round 1	Flow
Gordon Speed	Round 2	In the arc
John Organ	Round 3	Gallery Catwalk
James Gibson	Round 4	The Breach
Allysa Carberry	Round 5	Self Portraits during a Breast Cancer journey
Margaret Jones	Round 6	Checking my Feathers

Overall we had 262 participants in the competition, about the same as last year. But we had 895 entries, up from 754 in 2020 and 550 in 2019.

Like last year the success was spread out – 48 participants have one top ten placing, and only 6 had more than one. The standard is high and very even, making for a great competition (and challenges for the judges).
